Anonymous communication between the public and local law enforcement

Possibly the biggest benefit of the network is the way it makes possible two-way communication between law enforcement and the public.

As we the public learn about fugitives, missing persons and unsolved cases, we can provide **anonymous tips via text message or the web** directly to the agency.

There is no need to sign up for alerts to text a tip.

Text an Anonymous Tip

Here's how to send your anonymous tip via text message.

1. Text "APD" and your message to 847411 (tip411).
2. Austin PD may reply to your message asking for additional information.
3. Text "STOP" to end the dialogue.
